

SILENT POWER PACK 11d

GENERAL

The SILENT Power Pack is a self-propelled aggregate specially designed to supply a preheater with its needs of hydraulics, electricity and diesel for the burner.

The engine is an air cooled single-cylinder fourstroke diesel engine with low diesel consumption.

The engine is silent with noise-proof capsule, which reduces the noise level substantially.

In total this Silent Power Pack automatically can supply melted thermoplastic material for at least one day.

The units can be put on a trailer, truck or anywhere suitable.

TECHNICAL SPEC.

Length:	600mm
Width:	800mm
Height:	1200mm
Engine:	Hatz 1D 81C
Effect:	11hp
Fuel type:	Diesel
Diesel tank volume:	75L
Electric system:	12v + 230V
Start battery:	One 12V
Hydraulic pump:	12cc
Hydraulic capacity:	28 L/m
Hydraulic tank volume:	75L
Hydraulic oil cooler:	Yes
